THIS CARD PROVIDES ONLY LIMITED INFORMATION ABOUT THE CLASS ACTION.
VISIT www.settlementwebsite.com OR CALL (PHONE NO.) FOR MORE INFORMATION.

You are receiving this notice because the records of the Brookhaven Memorial Hospital Medical Center DBA Long Island Community Hospital Retirement Savings Plan (the “Plan”) indicate that you were a participant in the Plan between January 18, 2018 and [Date of the Preliminary Award] (the “Class Period”), and were invested in at least one of the following funds during the Class Period: Janus Henderson Enterprise Fund (T), MFS New Discovery Value Fund (R3), John Hancock Disciplined Value Mid Cap Fund (I), American EuroPacific Growth Fund (R4), Dreyfus Strategic Value Fund (I), or the Prudential Guaranteed Income Fund. As a result, you could be entitled to payment from a proposed settlement (“Settlement”) reached in this action (“Action”). Your rights may be affected by this Action and the Settlement. This Notice advises you of basic information about your options. More information, including the Settlement Agreement, long-form Notice of Proposed Settlement of Class Action, and the Plan of Allocation, is available at settlementwebsite.com.

You may (but do not have to) attend the final approval hearing, which will be held on ____, 2026 at __:00 a.m. before the Honorable Gary R. Brown, at the United States District Court, Eastern District of New York, Courtroom 940, 100 Federal Plaza, Central Islip, NY 11722, to determine: whether the proposed Settlement of the Action brought by certain participants in the Plan against Defendants Long Island Community Hospital (“LICH”), and individual members of its Board of Directors that served on the Pension Committee during the Class Period (“Defendants”) for three million dollars (\$3,000,000.00) and the Plan of Allocation should be approved as fair, reasonable and adequate and whether the Action should be dismissed with prejudice against the Defendants, as set forth in the Settlement Agreement (“Agreement”) filed with the Court; whether Class Counsel’s application for an award of attorneys’ fees of 1/3rd of the Settlement and expenses (not to exceed \$100,000) should be granted; and whether Plaintiffs’ collective request for reimbursement of thirty-two thousand five hundred dollars (\$32,500.00) in the aggregate for their time and expenses incurred in representing the Settlement Class should be granted.

If the Settlement is approved by the Court and you are a member of the Settlement Class, you will not need to file a claim to receive a Settlement payment if you are entitled to one. If you currently have a positive account balance in the Plan, any share to which you are entitled will be deposited into your Plan account. If you are no longer a Plan participant, any funds to which you are entitled will be paid by check to you by the Settlement Administrator (or rollover, if elected). Not all Settlement Class Members will receive a payment, and it may take several months for the payments to be made. If you want to object to any part of the Settlement, you may do so no later than ____, 2026. The long-form Notice and the settlement website explain how to object.

Do not contact the Court or Long Island Community Hospital for information about the Settlement. Any questions may be directed to Class Counsel for Plaintiffs and the Settlement Class: Gustavo Bruckner, Pomerantz LLP, 600 Third Ave., 20th Floor, New York, NY 10016, (212) 661-1100.
